## DOWN TO BUSINESS.

Democrats of the Territory Preparing for the Coming Election.

## CONVENTIONS ARE CALLED.

Territorial Convention at Santa Fe on September 28.—All Free Silver Advocates Invited to Participate in Primaries and Conventions.—The County Convention September 28 at Silver City.—Latest Political News.

The democratic Territorial central committee have called a Territorial convention to be held at Santa Fe on September 28, and the democratic convention for Grant county has been called, to be held at Silver City, September 28, both of which calls appear below:

**DEMOCRATIC TERRITORIAL CONVENTION.**  
Whereas a meeting of the democratic Territorial central committee, held in Las Vegas, on June 15, 1906, the city of Santa Fe was selected as the place for the meeting of a democratic Territorial convention for the nomination of a democratic candidate for delegates from New Mexico to the 60th congress of the United States; and

Whereas, the date of the holding of said convention was left to be fixed by the chairman and secretary of this committee at such convenient time as would in their judgment best serve the interests of the party; and

Whereas, said proposed convention was authorized to be constituted, as to representation from the various counties of the territory, on the basis of one delegate for each 100 votes cast for Antonio Joseph in each of said counties at the last general election and one additional delegate for each fraction of 100 votes cast amounting to fifty or more.

Now, therefore, by virtue of the authority in us vested, a convention of the democratic party of New Mexico is hereby proclaimed to be held in the city of Santa Fe, at the hour of 1 o'clock p. m., on the 28th day of September, A. D. 1906, for the purpose of nominating a democratic candidate for delegates from New Mexico to the 60th congress of the United States and for the transaction of such other business as may properly come before it related to that primary purpose.

According to the authorization of this committee, at its said meeting, the apportionment of delegates to said convention from the various counties is as follows, to wit:

Bernalillo county.....12  
Chaves county.....5  
Colfax county.....5  
Dona Ana county.....5  
Eddy county.....4  
Grant county.....4  
Guadalupe county.....4  
Lincoln county.....4  
Mora county.....4  
Rio Arriba county.....15  
San Juan county.....2  
San Miguel county.....21  
Santa Fe county.....15  
Socorro county.....5  
Taos county.....31  
Union county.....5  
Valencia county.....13

Total delegates.....155  
The county central committee of the various counties are requested to call county conventions for the election of the designated number of delegates, according to the rules and regulations governing party practice, in the respective counties, and it is suggested that such conventions and preliminary primaries be held at such times as are convenient to the party in the respective counties.

In those counties in which party interests have advised the holding of county conventions prior to this call the delegates there selected to represent such county in the proclaimed convention will undoubtedly be held to have been duly elected, according to the purpose of this call.

In carrying out the instructions of the committee, at its said meeting, all democrats, and all those who intend to act with the democratic party on the leading principles enunciated in its Chicago platform, and especially on the great declaration in favor of the free and unlimited coinage of silver, are hereby invited to participate in the primaries, in the respective counties, and in the proposed Territorial convention, if so it be that they are chosen as representatives at county conventions.

In view of the great issues involved in the national campaign, now on, and of the high and advanced ground taken by the democratic party in favor of the restoration of the money of the common people to its constitutional place in the financial policy of the nation; and, in view, further, of the utter failure of the republican party to give the territory an influential and useful delegate in congress from New Mexico, it is the hope of this committee that the convention hereby called may be a fully attended and memorable gathering of representative democrats from every county in the Territory. To this end all citizens of this Territory, within the purview of this call, are urged to take an active interest in the preliminary steps to constitute said convention and in the important work of the same.

RAPHAEL BROWNE, J. H. CRIST, Chairman, Secretary.

**DEMOCRATIC COUNTY CONVENTION.**

Pursuant to an order of the Democratic Central Committee of Grant county, a convention of the democratic voters of Grant county is hereby called to meet at Silver City, September 28th, 1906, in Merrill Hall, at 10 o'clock a. m., for the purpose of nominating democratic candidates for sheriff, assessor, probate judge, private clerk, treasurer, superintendent of schools, collector, coroner, surveyor, three county commissioners and legislator from thirteenth district.

## SOME POLITICAL STRAWS.

Indications of the Directions of the Wind in Local Matters.

Both the calls for the county and territorial democratic conventions appear in the HEADLIGHT this week.

H. H. Betts, of Silver City, will likely ask for the republican nomination of county school superintendent.

The name of M. W. Neff, of Silver City, is being mentioned in connection with nomination of commissioner from the first district.

Robert Swan, of the Middle Gila, has announced as a candidate for the democratic nomination of commissioner from the second district.

John A. Moses, of Silver City, in the announcement column, states his candidacy for the democratic nomination of county superintendent of public schools. Mr. Moses is a thoroughly capable man for the office, and is particularly versed in subjects pertaining to the public school system. He is an old time resident of the county, and while still times an energetic party worker has never before sought office. He is well known all over the county and will make a strong race, if accorded the nomination.

G. W. M. Carvell, of Silver City, who last year made such a strong race for the county treasurer, this year seeks the nomination for assessor and in another column expresses his wishes. Mr. Carvell is a hard-working, energetic business man and being a large property owner is thoroughly acquainted with tax values and the work incident to the assessors office. He has been a resident of this county for a number of years and is highly esteemed. If nominated and elected, the taxpayers can depend upon a capable administration of the office.

For the first time in many years Deming was two years ago honored with a member on the board of county commissioners in the person of A. J. Clark. During his term of office he has served his constituents here and all over the county in a capable and efficient manner, and it is generally admitted he has made one of the best commissioners Grant county has ever had. At all times and under all circumstances Mr. Clark has performed his duty for the best interests of the taxpayers. In another column Mr. Clark announces his candidacy for a re-nomination for the third district, and if nominated, his fine record and personal popularity, will make him one of the strongest candidates on the ticket.

**COMMISSIONER'S DISTRICTS.**  
A Correct List of the Different Precincts Which Comprise Them.

There appears to be a general lack of information among the voters of Grant county, concerning the formation of the three different commissioner's districts, and this being election year such knowledge is more sought after than usual. For the information of the readers the HEADLIGHT has obtained from the commissioner's record, at Silver City, the list of precincts which comprise the three different districts, as follows:

District No. 1.—Composed of precincts Nos. 1-8-9-17-19-23-24.  
District No. 2.—Composed of precincts Nos. 4-5-6-7-12-13-21-22.  
District No. 3.—Composed of precincts Nos. 9-10-11-14-15-16-20.  
The names of different precincts are No. 1, Central; No. 2, Pine Altes; No. 3, Silver City; No. 4, Lower Minibres; No. 5, San Lorenzo; No. 6, Georgetown; No. 7, Cliff; No. 8, Lower Gila; No. 9, Pyramid; No. 10, Hachita; No. 11, Deming; No. 12, Sapello; No. 13, Hanover; No. 14, Cooke; No. 15, Sagar; No. 16, Gold Hill; No. 17, Manus; No. 18, Blackhawk; No. 19, Steele Rock; No. 20, Lordsburg; No. 21, Pine Clones; No. 22, Oak Grove; No. 23, San Juan; No. 24, Red Rock.

**Important Changes in Time.**

On Sept. twentieth the Southern Pacific Co. will change time so as to have the west bound train pass through Deming about 6:30 p. m. local time and the east bound train about 11:30 a. m. local time. This will be a great convenience to passengers going east as close connection will be made in El Paso with the Texas & Pacific and in New Orleans with all the through lines for that part. The west bound train will reach Los Angeles 9 p. m. and San Francisco 4:30 p. m. the following day.

It is the duty of every man to make the most of himself. Whatever his capacities may be, he is sure to find some place where he can be useful to himself and to others. But he cannot reach his highest usefulness without good health and he cannot have good health without pure blood. The blood circulates to every organ and tissue and when it is pure, rich and healthy it carries health to the entire system, but if it is impure it carries disease wherever it flows. Hood's Sarsaparilla is the one true blood purifier. It cures salt rheum, scrofula, catarrh, dyspepsia and rheumatism because these diseases have their origin in the blood.
